Patents 1 - 10 on incremental maintenance using work areas

Sort by relevance | Sort by date (new first) | Sort by date (old first)

[APPLICATION] **Incremental AST maintenance using work areas**

US Pat. 10649644 - Filed Aug 19, 2003

The functions that compute the variables of the work areas are distributive and thus incrementally maintainable. The method computes and recomputes the ...

**Apparatus for and method of updating a device driver from a local resource**

US Pat. 6732195 - Filed Oct 3, 2000 - Hewlett-Packard Development Company, L.P.

At step 116 maintenance information part of portable maintenance terminal 10 ... locations of work areas within range of a target printer's FIR receiver. ...

**Non-modal database system with methods for incremental maintenance of live ...**

US Pat. 5694608 - Filed Jan 27, 1995 - Borland International, Inc.

Expectedly, users often have a difficult incremental query, which at all times

... user-supplied criteria are entered using Anno- in nature and easy to ...

[APPLICATION] **Apparatus for and method of updating a device driver from a local resource**

US Pat. 10769651 - Filed Jan 31, 2004

3 is a front view of a portable maintenance terminal implemented using a PDA ...

of work areas 310-320, with the current position of portable maintenance ...

**Incremental maintenance of materialized views containing one-to-N lossless joins**

US Pat. 6125360 - Filed Jul 2, 1998 - Oracle Corporation

... T2 is referred to as a "lossless join" a telephone line using a modem. ...

that are listed in cation provides for deferred incremental maintenance of ...

**Apparatus for incremental electro-processing of large areas**

US Pat. 4082638 - Filed Dec 21, 1976

Using these methods, the inner Cylindrical vessels or reactors which have a capacity

... and in addition it performance of maintenance or repair operations. ...

**System and method for maintenance and repair of CNC machines**

US Pat. 6138056 - Filed Mar 2, 1998 - Therwood Corporation

The only difference is that instead of using an incremental method of accumulating

... then an operator will be notified that maintenance work is due. FIG. ...

**Combination system for provisioning and maintaining telephone network ...**

US Pat. 5953389 - Filed Feb 20, 1997 - Bell Atlantic Network Services, Inc.

c n n . . . . . , Process areas: Create Capacity; Sell Products/Services &

and reactive maintenance system permitting proactive and ...

**Method for incremental electro-processing of large areas**

US Pat. 4001094 - Filed Sep 19, 1974

However, when METHOD FOR INCREMENTAL the vessel is large it is desirable to take

steps to polish ELECTRO-PROCESSING OF LARGE AREAS its inner surface without ...

**Work assignment system and method, distributed client/server system, and ...**

US Pat. 7136625 - Filed Jan 3, 2001 - Canon Kabushiki Kaisha

Especially, since this work standard creation system 2800 uses the incremental

search in inputting data, standard terms are 40 used, and arbitrary word ...
